Thread: [How Often Are Awards Changed in The Buy Awards Section](#)

Mooooookie - June 14, 2025, 6:03 am

Just curious how often the Awards are changed around in the Buy Awards section? Since I've upgraded, I believe I've only seen the Awards in that section change once. I wasn't really that active prior to upgrading, so they might of changed during that period of time and I just hadn't noticed.. but I know since upgrading and becoming a daily user, that they've only changed once.

Would be nice to see them changed out a little more often. I not only enjoy buying them for myself, I've purchased multiple Awards for other users and am eager to see something new in that section.

If anyone has some data or info on this, would be nice to hear it.

Thanks.

It's been over a year since there was a cycle if I'm not mistaken. I've been told every six months they are cycled, but it's probably just been overlooked.

If you ever want to purchase awards.. You can contact [Omniscient](#) directly.

It never happens anymore. Occasionally there will be one added for a short time but doesn't look like it's going to cycle much anymore.

I was aware we could contact him about recent ones, but wasn't sure about ones that were previously sold.

I see. There has been a lot of changes taking place on the forum as of recent, I'm pretty sure he's probably just overlooked it and hasn't been reminded. I do remember someone saying they get cycled every X, just couldn't remember how often they said that cycle was.

Money talks brother, send a message with what you're interested in, and worst you can get is a no.
