Thread: [looking for a job as a designer/document drawer](#)

ChromaxDesign - June 19, 2025, 7:15 am

Hello, I have been doing design for over two years,
I do everything except 3D design and drawing,
I have a portfolio in Telegram - <https://t.me/PortfolioElvires>, also have experience in drawing documents.
I worked for people on this topic but unfortunately I stopped working with them

Write to telegram - <https://t.me/DesignElvira>

I need one as manager, album covers, reel backgrounds, can you do such?

No hard jobs like video 3D renderings.
