Hey good day! Welcome to the forum. There are many ways to earn bytes on the forum by interacting by posting, playing slots, blackjack, and other games throughout the forum.

Here is a good thread to navigate you through your bytes earning journey!

In my case i am just active on the forum for aproximative half hour -1 hour each day and i get more than enough bytes

Hmm, the topic for this thread is how to get "ytes", not "bytes". I think the former is quite hard to get here, but regular bytes just require a few posts.

Me trying to be funny :-)
