Thread: [Anyone in import export or product related bussiness -- any product](#)

SIGMA BOSS - July 9, 2025, 11:13 pm

actully i am looking to start it if anyone here is in it , we can make this work.

just tell me whats your niche or product is

wanted to do on large basis.

shakur123 - July 11, 2025, 8:50 pm

I have a tequila and cuban cigars business

petchworks - July 12, 2025, 2:38 pm

DM me. Let's see what we can work on.

Air Gunman - July 13, 2025, 1:53 am

I work closely with one particular country customs and so can bring in just anything from anywhere in the world to this country.

Many other forwarders and logistics vendor are reselling this service

neel364 - July 16, 2025, 11:13 am

I'm into product-based business — mainly essential oils right now. Importing from India and selling in North America under my own brand. Still early stage but slowly building it out. What about you?
