Secrets - July 20, 2025, 4:54 pm

THANK YOU TO THOSE THAT HELPED, WILL REACH OUT IN THE NEAR FUTURE!

Need some help.

There's this lady, she's in her mid 40's so not truly tech savvy.

She runs a cleaning business. Would love to help her get more positive reviews.

Her goal is to hit 200, I believe she's sitting at roughly 150ish.

I'll drop the link via convo/PM

If ya'll can leave a comment for example...

"Celeste and her team did an amazing job. My house has never been this clean. Highly recommend!"

"So impressed with their attention to detail — everything sparkled. Friendly and professional too!"

"Wonderful experience. On time, thorough, and left my home looking (and smelling) fantastic. Will book again."

"Great service from start to finish. Easy to schedule, excellent communication, and a spotless home!"

"Celeste and her crew are the best! They treated my home with care and did an incredible job."

"I was blown away by the level of cleanliness they achieved. Every corner was perfect. 10/10!"

"Trustworthy, hardworking, and detail-oriented — everything I want in a cleaning company."

"They really went above and beyond my expectations. My home feels brand new again!"

"Professional, courteous, and efficient. Great value for such quality work. Highly recommend Celeste's team!"

"If you're looking for a reliable, thorough, and kind cleaning crew — this is the one!"

For each confirmed review/comment, will payout \$4.00; thanks in advance!

Be careful, if the reviews are not from accounts near her area, they will most likely get removed. Maybe not instantly, but within 1-2 months. I will PM you a better method.

He's offline since then. Seems like he wanted reviews for free.

Idk, may be I'm wrong thinking that, but who knows. These days anything can happen.

SIM-5083180 - July 26, 2025, 3:54 pm

If still needed please send me an PM

HerrWinston - July 26, 2025, 4:13 pm

UncleCrime509 - July 26, 2025, 10:13 pm

I can do this for you, PM me when your available.

Juoku - July 27, 2025, 11:39 am

I can definitely do this from multiple accounts, hit me up if you're interested

Sealoung - July 28, 2025, 7:02 am

Don't give reviews to these people. I suspect it's the same person may be with multiple accounts here in Hackforums asking for reviews. Usually they promise you to make payment, but once you do the review, they disappear. Pretty cheap and pathetic. Scamming at lowest level.

Yeah I never got paid either, OP is still offline sadly.

Says he was online less than a day ago so my guess is he's probably not gonna pay sadly.

Sorry all, right after my eye appointment I went on vacation for 6 days. Locking this thread and sorting out PM(s) to those completed.

Expect a reply shortly. Once I've handled those, will re-open after I situate myself. Thanks and sorry

for delay!

I have reached out to those, and sent payment to those accepting BTC. Again, sorry for delay and thanks for understanding!

Currently in the future will need more reviews, at the moment I'm currently settling in; will cease accepting further reviews at the moment.

Nevermind, just noticed that's no longer needed. Have a nice day.
