Must be a limit on your user group. I can add 5 at once.

Upgrading to Ub3r will raise the cap to 5.

i currently have L33t. How do I upgrade to uber? How much does uber cost? I need to set up a contract/set up a 3-way DM between me, the vendor who is selling me a service. And the middleman.

-how do I do this? This is the reason I need uber?

Why not just set it up in Convo

The middleman should be able to make it if you can't.

The middleman typically sets up the 3-way conversation.. at least in every deal I've ever done that involved a MM. Message a MM from the [Staff Approved List](#) .. let them know what the deal is, and who it's involving.. and if they agree to being a MM for the deal, they'll open a 3 way chat for all parties involved. Simple as 1-2-3.
