Bonjour à tous !

Je suis français et ce site à l'air d'être super intéressant avec beaucoup de chose à faire ! ?
Merci pour tout, mon but maintenant d'après ce que j'ai compris c'est de monter mes niveaux pour avoir un maximum de points et de débloquent certaines choses !!

Traduction English :

Hello everyone!

I'm French, and this site seems super interesting, with lots to do !?
Thanks for everything. My goal now, from what I understand, is to level up to get as many points as possible and unlock certain things !

Thank you for that, but i would try using english mainly on here, people tend to help more if they

understand you without a translator XD
