Hello hack Forums

Me and my business partner are hiring people who live in the country's above If you wish to learn more PM and i will tell you much more in depth what your job would be.

If you live in a country that is not above still fill free to PM as we might want someone from where you are located to help out the business.

If you need me to pm you leave a message down bellow and i will pm you.

Thank you for your time.
