

Forum: [Hack Forums](#)

Thread: [Diffrent sections](#)

informalmarc - August 1, 2025, 5:45 am

In your guys opinion, should there be separate sections for OnlyFans management and its related topics, and eWhoring and its related topics?

Nostre - August 1, 2025, 6:55 am

That would be like making subforums for each of the NBA's leagues within the Sports category.

It's been renamed Adult Content Management, since that title fits better with the other sections you likely had in mind.

I think i worded it wrong

I was meaning a forum for ACM and a forum for Ewhoreing

No. Nowhere near enough content to do that.
