Europol Arrests XSS Forum Admin in Kyiv After 12-Year Run Operating Cybercrime Marke

Europol on Monday announced the arrest of the suspected administrator of XSS.is (formerly DaMaGeLaB), a notorious Russian-speaking cybercrime platform.

The arrest, which took place in Kyiv, Ukraine, on July 22, 2025, was led by the French Police and Paris Prosecutor, in collaboration with Ukrainian authorities and Europol. The action is the result of an investigation that was launched by the
