Thread: [Quickly Loved - How long did it Take you?](#)

Mech - August 2, 2025, 9:00 pm

Just curios how long it took some of you to get the quickly loved award?

I am currently at 73% and have been working at it for about 3 weeks or so.
Hoping to finish it up here soon.

Deany - August 2, 2025, 9:55 pm

Got when it first came out, not long. Nowadays it's rough

I guess I was able to have it on my account for couple of hours, maybe in less than 12 hours from the start it was being created. Actually, as far as I remember just couple of hours maybe 2 or 3 hours and it's done. Most of the members were too eager to have it real fast, that's why on that day the love is on the air ?

I'm 51% for months now..

I'm aiming for this award and currently I'm at 33%. I started about 20 days ago.

That's what I am noticing. Definitely seems tough, especially this last 25%

Makes sense, active members all seeing a fresh new award and working hard to get it as soon as it comes out. Wish it was still as easy!

I have also been quickly liking many random posts.

It took me awhile until I started a QL for QL thread. If this is still permitted, start one, not sure if you did yet?

I'm at 45% but not pushing it, will just continue posting and hope they'll come eventually!

W1NK1LL3RX - August 8, 2025, 3:30 am

I'm currently at 43%. I've only been working at the award for almost two months.

Just gave you one more, a little bit closer!

I was lucky enough to have a pretty successful thread that got me quite a few QLs, that where the majority of mine came from.

Thank you sir!

In one day, I went from 43% to 54% in less than 24 hours. I started a crypto contest. Thanks to [Oh_Well](#) for the idea! :)

It's a win-win! U give back to the community and getting closer to an award at the same time!

RangoWorld - August 11, 2025, 1:57 am

Like a few months. After dedicating myself completely to forum. It really takes that. Dedication to the forum. Not chasing the award as a means.

But just sharing and engaging. Award will come on its own.

That's true. Popularity and QL will eventually come as long as you contribute to the community!
