How to Get a Free 1-Year Craft Subscription (Worth Around \$100) – Plus Use ChatGPT 4o Mini! ?

If you like taking notes, organizing your thoughts, managing projects, or even studying in a cleaner and more stylish way than Notion... then Craft is a tool you'll definitely love!

It's organized like a wiki, easy to use, and packed with features you'll discover as you go.

? Steps to Get the Free Subscription:

1. Create a Temporary Student Email:

Go to this site:

? <https://nullsto.edu.pl>

And create a university email address using your name.

2. Sign Up for Craft:

Take the email you just created and register on the Craft website here:

? <https://www.craft.do>

Register as usual, and wait a minute or two — you'll receive an email with a link to activate your free 1-year subscription.

Click the link, and congratulations! ? You now have a full-year subscription activated.
