? The "Last Thing You..." Game — Let's Get Random! ?

Hey HF Lounge lurkers ?

Let's play something light and chill:

"The Last Thing You..."

The rules are simple —

You answer the question from the person above you, and then ask a new "last thing you..." question for the next person.

Examples:

"What's the last thing you watched on YouTube?"

"The last game you played?"

"The last thing you ate?"

"The last time you raged at something stupid?"

Let's keep it fun, honest, or chaotic — whatever you're feeling lol

I'll start:

What's the last song you listened to?

? Next person answers that and drops a new "last thing you..." question ?

No pressure, no cringe — just random vibes.

Let's see where this thread goes ?
