(Jan 30, 2026 01:05 PM)Missekat Wrote: [\[CITE\]](#) I entered into a contract with Moookie to help me reopen my Facebook account that had been banned for very serious reasons. A task that very few would be able to handle and very few would dare to attempt.

Moookie really worked day and night, almost literally. He went the extra mile for me in every way. He was always super informative and even after the task was completed he still continued to guide and help me.

Many times I was about to give up, but he NEVER gave up. And every time something new was tried, he was open about it being my own choice whether we should continue, or I could always get my money back.

You can't find a better man for the job than Moookie. He is the absolute best!

To help Buyers get a better feel for who they're doing business with, we have a thing called a Credibility Rating. Included in this are 3 ratings.. Excellent, Average, and Poor. Each one of these numbers indicates a deal they've done on-site.

These ratings are how previous Buyers scored their deal with said Seller. While you shouldn't make your sole decision based off a Sellers Credibility Rating, it can give you a good indication on which Sellers to avoid doing business with. The higher the number, the more deals they've done on-site. If you see RED - this is a good sign that you should do your due diligence on this Seller, or might want to avoid doing business with the Seller all together, as previous buyers have had a bad experience with them.. and the Seller did not take the time to make things right before closing the contract. I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
