Thread: [? PERMANENT INSTAGRAM & FACEBOOK ACCOUNT REMOVAL ? Remove Unwanted Accounts ASAP ?](#)

Mooooookie - August 9, 2025, 1:19 pm

WARNING: Don't allow yourself to get SCAMMED by new sellers, and sellers that were previously kicked off the site for scamming. I have been receiving an increased amount of messages from potential buyers informing me that they have been scammed by "new" service providers on the forum when trying to purchase Social Media Services. Many of them are the same user with multiple accounts, that attempt to lure buyers off-site to Telegram, with promises of cheap service prices, and in return walk away with buyers money. Once your money is gone, you're not getting it back. I'm not saying that you have to purchase from me, but I would ask that you please do your due diligence before spending money with individuals that lack credibility. Don't let trying to save money, lead you to losing your money all together!

PERMANENT
INSTAGRAM & FACEBOOK ACCOUNT REMOVAL
Re-Ban Warranty - On All Approved Removals

- WE CAN REMOVE VERIFIED ACCOUNTS, FAILED CASES, USA ACCOUNTS, ALL ACCOUNTS! -

Is there an Instagram or Facebook Account that are tarnishing your name, or your brand? Harassing/Bullying you or one of your loved ones? Or maybe some other unrelated issue that hasn't been mentioned, and you would like their account removed - Permanently ? We have the perfect solution for you!

After receiving many requests from users to provide a top quality Instagram & Facebook Account Ban Service.. I am now here to accommodate your requests. I am offering 2 different types of Account Removals;

A) Hard Ban - The Account will be taken offline, no longer visible to anyone on the Instagram Platform.

B) Permanent Ban - The Account will be taken offline, no longer visible to anyone on the Instagram Platform, and there will be no option to Appeal this decision. Re-Ban warranty on approved cases.

I'm a very transparent Seller when it comes to the services I provide, and will provide a little clarification on the different type of bans that I'm offering.

Hard Bans, when the target is taken offline.. there will be an appeal option available. But keep in mind, the Reason we use for Hard Bans, 95% of the appeals are automatically rejected. Many of you know this from having your own accounts disabled, and your appeal always being denied even when your account didn't violate the guidelines. There is no human actually reviewing the account, the appeal is handled by AI, and depending on the reason for the ban, 95% of the times it will automatically be rejected.

Permanent Bans on the other hand, have no appeal option as shown below, and come with a re-ban warranty on Approved Cases. Meaning, if your case is approved, if the account comes back online within X days of being removed, then we will remove the account for you again FREE of charge. The screen they will see when they login will look similar to the one below:

This is not to say that it's impossible to recover the account, as with the right budget, and the right provider.. any Account and/or Post can be recovered for a few thousand dollars. Nothing is ever technically 100% Permanent on Social Media. But as far as recovering the account thru in-app appeals options, this is not possible as there will be no appeal option for the user when they attempt to login.

Price for service is dependent on an array of reasons such as the the account itself that you want removed, the type of ban you're interested in, and a few other variables. Contact me for a quote.

To get started, leave a reply on this thread and/or send me a PM with the @username of the account that you're interested in having removed, along with the reason why you would like the Account Removed. I won't be removing accounts just for the sake of doing it. If you have a legitimate reason for why you would like the Account removed, then I'll be happy to evaluate your case and provide you with a quote for removal.

This was a complex case and had a lot of moving parts for him which is why it took a bit longer than usual yet he kept me involved every step of the way. Excellent communication. Highly recommend this unban service and will come back with more clients.

(Apr 19, 2026 09:00 PM)mukahantu Wrote: [\[CITE\]](#) It is a pleasure to provide this testimony for Moookie.

As you may see this is the first contract on HF and I'm still in awe.

From the start, he demonstrated a level of professional integrity that is increasingly rare. Not only was the work delivered to an exceptional standard (the targeted account has more than 200k followers), but it was also completed within timeframe.

I encountered few impostors claiming "to work with him @ him working with them" (which is a total bullsh*t).

That's when I know every other competitors are trying hard to associate themselves with him & that alone tells me he's the actual GOAT.

So for those still looking, this is the guy you should look for.

What truly sets him apart is his transparency.

He provided consistent updates during transfer and managed expectations realistically. I didn't even need an MM (do so at your own discretion).

I give Moookie my highest recommendation for anyone seeking for similar service.

He has earned my full confidence, and I look forward to our next collaboration.

Mooooookie really worked day and night, almost literally. He went the extra mile for me in every way. He was always super informative and even after the task was completed he still continued to guide and help me.

Many times I was about to give up, but he NEVER gave up. And every time something new was tried, he was open about it being my own choice whether we should continue, or I could always get my money back.

Be Aware of Sellers Trying To Lure Your Off-Site: Don't allow any Seller to lure you off-site to conduct a deal. All deals should be conducted on-site, to avoid chat manipulation and scams. If you want to use a MiddleMan, and a Seller refuses to use a MiddleMan.. DO NOT CONDUCT THE DEAL. There has been evidence of "Reputable Sellers" luring buyers off-site, and refusing to use a MiddleMan when selling services. This is the number one way to get scammed.

It's against HF Rules for a Seller to refuse a MiddleMan. It's also against HF Rules for a Seller to force a deal to be conducted off-site. All business deals should be conducted on-site. Why? This ensures that all conversation between you and the seller are transparent, and the conversations can't be deleted by either party. Yes, unfortunately this type of thing happens on-site.. even with Sellers that are supposed to be "Reputable". So do yourself a favor, and stay on-site with any business transactions.. and if you're not comfortable sending a seller payment upfront, demand that they use a MiddleMan. If they refuse, report them to Staff.

You need to understand, that deals conducted off-site are not back by our Deal-Dispute feature. So if you allow a Seller to convince you to do a deal off-site, and you get scammed.. you won't be getting your money back, and it's a chance they may not be held responsible. You can avoid all of this, by simply staying on-site with all your business transactions.

How To Contact Me For Service:

There are a few ways that you can use to reach out to me for service, one of them being by simply leaving a message on this thread.. and I will reach out to you via Private Message within a few hours. The second method of contacting me for service is you can send me a Private Message here on the forum.. but for various reasons, that doesn't always happen. So in the event you're unable to contact me thru Private Message here on the forum, see my Alternative Contact:

While I won't negotiate, or conduct any deals off-site.. if I'm not online, or you're having a difficulty reaching me, you can send me a message on Discord, and I will reach out to you from there. Copy & Paste my Discord Username. There have been known to be scammers who try and create accounts with similar usernames, in an attempt to manipulate buyers into contacting the wrong person.

For this reason, I recommend you to Copy & Paste @MooooookieHF and paste it into the search on Discord.

To ensure you're speaking with me, and not an imposter.. have me confirm who I am by having me send you a message here on the forum. If the person you're speaking with is not willing to confirm that they're indeed me, then you're not speaking with me.

I WILL NEVER SEND YOU A FRIEND REQUEST FIRST ON DISCORD, OR ANY OTHER PLATFORM!

DON'T ALLOW YOURSELF TO BE SCAMMED BY ANY OF THESE BROKE DESPERATE SCAMMERS!

Buy With Confidence:

Our overall objective is to make sure our customer is satisfied. We have a Perfect Selling History, and have never had any Deal-Disputes! Buy with confidence, knowing that you will get exactly what you paid for, with no issues later down the road.. and if a problem was to occur, that we will work with you to get it resolved. That's our GUARANTEE.

Don't Get Scammed - Do Your Due Diligence!

Want to check whether the Seller you're getting ready to do a deal with has past Deal Disputes? Simple. Click the Search Icon at the top of the forum, Click 'Advanced Search', Type the Sellers UID (the last 7 digits of the users profile URL) into Keyword Box, Select 'Entire Post', Select 'Deal Disputes' in the Forums List as shown in the image below, and Click Search. This will display all Deal Disputes opened against said Seller.

Like any other place on the internet, Hack Forums has it's fair share of Scammers and unreliable Sellers. To help Buyers get a better feel for who they're doing business with, we have a thing called a Credibility Rating. Included in this are 3 ratings.. Excellent, Average, and Poor. Each one of these numbers indicates a deal they've done on-site.

These ratings are how previous Buyers scored their deal with said Seller. While you shouldn't make your sole decision based off a Sellers Credibility Rating, it can give you a good indication on which Sellers to avoid doing business with. The higher the number, the more deals they've done on-site. If you see RED - this is a good sign that you should do your due diligence on this Seller, or might want to avoid doing business with the Seller all together, as previous buyers have had a bad experience with them.. and the Seller did not take the time to make things right before closing the contract. For more details, you can click on any Sellers Username and their Credibility Rating and get more details as to why said Buyers gave them that rating!

Hey there op!

Looks interesting, I want to get someone banned but real quick just wondering have you seen this thread?

<https://hackforums.net/showthread.php?tid=6250424&highlight=instagram+ban>

That user wrote up some good tips.

It has some good terms that I want to agree to, so just wondering if you will fully agree to these terms or not? :)

- 1) The account has to STAY permanently banned for minimum 60 days.
- 2) If the seller fails to permanently ban the account within 48 hours the buyer will get a FULL refund.
- 3) The money will only be released after 60 days of the permanent ban.
- 4) If the account gets unbanned before 60 days the seller has to provide a full refund.
- 5) What I am paying for: Permanently Ban @username on (Instagram Social Media Platform).
- 6) What I am expecting: I am expecting @username to be permanently banned and STAY permanently banned for 60 days.
- 7) What I am not expecting: @username gets unbanned before 60 days.
- 8) Time limit for completion: 48 hours.
- 9) Terms of release: 60 Days after the permanent ban has occurred and when I have confirmed that the account has stayed permanently banned then the Middle-Man can release funds after my approval.

Let me know thanks! :)

Anyways how much does it cost to get an insta banned?

The vouches are for my Social Media Services as a whole.. not specifically this Sales Thread. Numerous users have purchased bans, and just haven't left vouches. If you think it violates the rules, feel free to report it.

Price is dependent on the account you was disabled.

INSTAGRAM ACCOUNT REMOVALS
Re-Ban Warranty - On All Approved Removals

Is there an Instagram Account that is tarnishing your name, or your brand? Harassing/Bullying you or one of your loved ones? Or maybe some other unrelated issue that hasn't been mentioned, and you would like their account removed - Permanently ? We have the perfect solution for you!

After receiving many requests from users to provide a top quality Instagram Account Ban Service.. I am now here to accommodate your requests. I am offering 2 different types of Account Removals;

A) Hard Ban - The Account will be taken offline, no longer visible to anyone on the Instagram Platform.

B) Permanent Ban - The Account will be taken offline, no longer visible to anyone on the Instagram Platform, and there will be no option to Appeal this decision. Re-Ban warranty on approved cases.

I'm a very transparent Seller when it comes to the services I provide, and will provide a little clarification on the different type of bans that I'm offering.

Hard Bans, when the target is taken offline.. there will be an appeal option available. But keep in mind, the Reason we use for Hard Bans, 95% of the appeals are automatically rejected. Many of you know this from having your own accounts disabled, and your appeal always being denied even when your account didn't violate the guidelines. There is no human actually reviewing the account, the appeal is handled by AI, and depending on the reason for the ban, 95% of the times it will automatically be rejected.

Permanent Bans on the other hand, have no appeal option as shown below, and come with a re-ban warranty on Approved Cases. Meaning, if your case is approved, if the account comes back online within X days of being removed, then we will remove the account for you again FREE of charge. The screen they will see when they login will look similar to the one below:

This is not to say that it's impossible to recover the account, as with the right budget, and the right provider.. any Account and/or Post can be recovered for a few thousand dollars. Nothing is ever technically 100% Permanent on Social Media. But as far as recovering the account thru in-app appeals options, this is not possible as there will be no appeal option for the user when they attempt to login.

Price for service is dependent on an array of reasons such as the the account itself that you want removed, the type of ban you're interested in, and a few other variables. Contact me for a quote.

To get started, leave a reply on this thread and/or send me a PM with the @username of the account that you're interested in having removed, along with the reason why you would like the Account Removed. I won't be removing accounts just for the sake of doing it. If you have a

legitimate reason for why you would like the Account removed, then I'll be happy to evaluate your case and provide you with a quote for removal.

OPEN TO USING ANY TRUSTED MIDDLEMAN

Vouch(s):

Be Aware of Sellers Trying To Lure Your Off-Site: Don't allow any Seller to lure you off-site to conduct a deal. All deals should be conducted on-site, to avoid chat manipulation and scams. If you want to use a MiddleMan, and a Seller refuses to use a MiddleMan.. DO NOT CONDUCT THE DEAL. There has been evidence of "Reputable Sellers" luring buyers off-site, and refusing to use a MiddleMan when selling services. This is the number one way to get scammed.

It's against HF Rules for a Seller to refuse a MiddleMan. It's also against HF Rules for a Seller to force a deal to be conducted off-site. All business deals should be conducted on-site. Why? This ensures that all conversation between you and the seller are transparent, and the conversations can't be deleted by either party. Yes, unfortunately this type of thing happens on-site.. even with Sellers that are supposed to be "Reputable". So do yourself a favor, and stay on-site with any business transactions.. and if you're not comfortable sending a seller payment upfront, demand that they use a MiddleMan. If they refuse, report them to Staff.

You need to understand, that deals conducted off-site are not back by our Deal-Dispute feature. So if you allow a Seller to convince you to do a deal off-site, and you get scammed.. you won't be getting your money back, and it's a chance they may not be held responsible. You can avoid all of this, by simply staying on-site with all your business transactions.

How To Contact Me For Service:

There are a few ways that you can use to reach out to me for service, one of them being by simply leaving a message on this thread.. and I will reach out to you via Private Message within a few hours. The second method of contacting me for service is you can send me a Private Message here on the forum.. but for various reasons, that doesn't always happen. So in the event you're unable to contact me thru Private Message here on the forum, see my Alternative Contact:

While I won't negotiate, or conduct any deals off-site.. if I'm not online, or you're having a difficulty reaching me, you can send me a message on Discord, and I will reach out to you from there. Copy & Paste my Discord Username. There have been known to be scammers who try and create accounts with similar usernames, in an attempt to manipulate buyers into contacting the wrong person.

For this reason, I recommend you to Copy & Paste @MooooookieHF and paste it into the search on Discord.

To ensure you're speaking with me, and not an imposter.. have me confirm who I am by having me send you a message here on the forum. If the person you're speaking with is not willing to confirm that they're indeed me, then you're not speaking with me.

I WILL NEVER SEND YOU A FRIEND REQUEST FIRST ON DISCORD, OR ANY OTHER PLATFORM!

DON'T ALLOW YOURSELF TO BE SCAMMED BY ANY OF THESE BROKE DESPERATE SCAMMERS!

Buy With Confidence:

Our overall objective is to make sure our customer is satisfied. We have a Perfect Selling History, and have never had any Deal-Disputes! Buy with confidence, knowing that you will get exactly what you paid for, with no issues later down the road.. and if a problem was to occur, that we will work with you to get it resolved. That's our GUARANTEE.

Don't Get Scammed - Do Your Due Diligence!

Like any other place on the internet, Hack Forums has it's fair share of Scammers and unreliable Sellers. To help Buyers get a better feel for who they're doing business with, we have a thing called a Credibility Rating. Included in this are 3 ratings.. Excellent, Average, and Poor. Each one of these numbers indicates a deal they've done on-site.

These ratings are how previous Buyers scored their deal with said Seller. While you shouldn't make your sole decision based off a Sellers Credibility Rating, it can give you a good indication on which Sellers to avoid doing business with. The higher the number, the more deals they've done on-site. If you see RED - this is a good sign that you should do your due diligence on this Seller, or might want to avoid doing business with the Seller all together, as previous buyers have had a bad experience with them.. and the Seller did not take the time to make things right before closing the contract. For more details, you can click on any Sellers Username and their Credibility Rating and get more details as to why said Buyers gave them that rating!

I don't have enough posts to send a pm but I am very interested in this service. There's a woman who has a business page that uses that page to harass and bully my wife and children for the past 2 years. My son is disabled and she's made false cps reports when he deeply relies on us. It's really affecting my wife's mental health as they both are in the same line of work and this lady is just slandering our names. If you can help I would greatly appreciate it.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.
