Thread: [CAPTCHASOLVER / AUTOMATE FUNCAPTCHA WITH AI SUPPORTS MANY SITES](#)

RA4W - August 10, 2025, 10:25 am

Tired of CAPTCHA verifications halting your automation projects? Say hello to CaptchaSolver – the ultimate AI-powered solution to keep your bots and scripts running without interruption.

Why Choose captchasolver?

? Blazing Fast & Highly Accurate: Get solutions in seconds with our advanced AI.

? Stealth AI Technology: Our technology is discreet and hard to detect, ensuring a high success rate.

? Easy API Integration: Works with all your favorite software. We have ready-to-use libraries for Python, Java, C#, PHP, and more.

? All Popular CAPTCHAs Supported: From simple text to complex image puzzles, we solve them all.

Perfect for Automation on the Web's Biggest Platforms!

Seamlessly automate your processes on sites including:

Microsoft: Outlook

Social Media: Twitter/X (registration & account unlock), Instagram

Gaming: Roblox (signup, login, game joining, security wall), Electronic Arts (EA)

Developer Tools: GitHub (signup)

Business & Payments: Stripe (registration)

Dating: [BRAND NAME REMOVED], Match.com

... and many more!

Transparent Pricing – Choose Your Solution

Select the precise service you need with no hidden fees:

CAPTCHA Classification: \$0.2 per 1000.

This plan identifies the type of CAPTCHA you're facing. Perfect for intelligently routing your requests.

Full Token Solution: \$0.6 per 1000 solves.

The complete package. We solve the CAPTCHA and return the solution token required to pass verification.

Ready to automate without limits?
