Buy US, Europe, Japan combos

My telegram

<https://t.me/jxking>

Format Email:password and Phone:password

trading method : USDT

Trade with guarantor

I won't buy without testing! test base 5k-10k ,no need send big test

[contract=tid]Start Contract[/contract]

You should really modify your post to include the fact you was scammed by an imposter, The real DemonAsylum is a well respected member on this site, Further to this, When dealing on HF you should be utilising the contract system,

All deals on HF MUST be conducted using contracts, This way you always know that your dealing with the correct person.

Make sure you read the [Help Docs](#) before making any further deals.
