Thread: [Looking for extra work.](#)

eupraxia - August 18, 2025, 2:23 pm

Hello, currently working a new job with a lot of free time on my hands. Looking for legal work. Anything from moderation, to chatting etc. As long as I am able to do so from my phone. I'm not looking to get rich just looking for something to help pay a few of my bills. Not opposed for it to turning into something more.

I have experience with dating traffic, building snap accounts, some marketing experience, tons of customer service. Willing to be trained and taught on anything.

Thanks for your time, if there's anything you're curious about please feel free to DM or start a chat with me.

I have small task to help grow traffic for a site I'm working on. Maybe testing all the features and find bugs and reach out to companies people to inform them about the community.
