Thread: [YOUTUBE - STRIKE REMOVALS | VIDEO REMOVALS | MONITIZED CHANNEL \[GREAT FEEDBACK\]](#)

Walter - August 24, 2025, 3:00 am

I provide Exclusive YouTube Services that you won't find anywhere else. Every case is managed directly through trusted internal support or my secure panel, with no shady shortcuts, no blackhat methods, and a fully legitimate approach.

Most sellers you see on HF are just resellers. They take your money and pass your request to someone else, usually someone like me. Skip the middlemen. Work direct.

If you find someone trusted offering a better rate, show proof, I'll beat the price with ease.

YouTube Unban / Strike Removal Service:

I specialize in removing strikes from YouTube channels, whether they're Copyright strikes or any other type. As you know, three strikes result in a permanent channel ban. If your channel has already been banned due to three strikes, I can restore it by removing one or all of them, depending on your budget.

This is an exclusive service with a 100% success rate. If I review your case and give the green light, the result is guaranteed.

Turnaround Time (TAT): Typically within 48 hours, with a maximum buffer of 72 hours.

Pricing:

Starting at \$2999

Final cost may vary depending on strike age and reason

If your budget is below this range, this service will not be suitable for you.

YouTube Removal Service:

If someone is stealing your content and re-uploading it on YouTube without credit or permission, and YouTube support isn't resolving the issue, I can help. The request should be for legitimate, ethical reasons, whether it involves unauthorized content use, impersonation, or harassment.

Turnaround Time (TAT): Usually within 48 hours, with a maximum buffer of 1 week.

Pricing:

Starting at \$2999

Final cost depends on the video and circumstances of removal
If your budget falls below this, the service will not be a fit for you

YouTube Monetized Channel:

If you're looking to begin your YouTube journey with a head start, I can provide channels that are already monetization-enabled. Normally, you'd need to meet the 1k subscribers and required watch hours, but with this service, that step is already taken care of.

Each channel you purchase will come with:1,000+ organically grown subscribers

Full monetization enabled

Pricing:

Starting at \$499

If your budget falls below this, the service will not be a fit for you

Feel free to reach out with any questions, requests, or custom needs. I'm more than happy to walk you through the process, explain everything transparently, and get your case handled quickly and professionally. ?

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page

and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
