AwsVenn - August 24, 2025, 3:10 pm

Hello,

I'm looking to purchase aged AWS (Amazon Web Services) accounts.

Has some account age (1 year+ preferred)

I'm not looking for fresh or newly created accounts. Please only reach out if you're the original owner or have a verified source.

I have aged AWS account. But a few have €30-50 invoice due not cleared. They are verified. If you are okay with that then I can sell you mines. Have a couple
