? IMPORTANT NOTE ?

I Will Give Some Instructions How to Use And Warmup For This Accounts and Business Manager When Buyer Will Purchase My Products .

So That They Can Easily Logging Without Any Issues And Can Warmup Nicely Before Use It.

? REPLACEMENT POLICY AND REFUND POLICY ?

If i fail To Delivery the Products In Time Then i Will Send The Refund To Buyer If Buyer Ask For Refund.

After Delivery The Product In Time There Is No Refund Available But Replacement Warranty Available For Mentioned Time I add On Each Account

IF Account Get Restricted Or Lock Within Those Mentioned Time While Following My Instructions Then Buyer Must Will Get a Replacement No Worries

But IF Accounts Blocked Due To Inappropriate Activities

For Examples:

Post on Marketplace Without Warmup this Account (i will give warmup instructions)

Logging In Too Many Accounts On The Same Browser And Ip Or Same Mobile Apps,

Logging And Check Account After Replacement Time Over

Create Campaign Ads Without Warmup On Business Manager

Changing Personal Information Photo,Name,Bio After First Logging Without Wait And Warmup

Start Spamming Or Group Posting Or Group Joining After First login Without Warmup

Changing proxies ip Frequently

Then I won't Give replacement
