EstateX Scales Luxury Real Estate Tokenization Through Melia Hotels Partnership, Ope

EstateX, the property tokenization platform which allows people to invest in real-estate for as little as \$100, has signed a strategic tokenization partnership with global hospitality leader Melia Branded Resorts in Cape Verde to bring a luxury beachfront resort in Cape Verde on-chain as its second U.S. property offering.

It's great that they're making that kind of investment accessible for just \$100.

It feels like one of those things that could either be the future of real estate or just a crazy experiment.?
