92 crypto-related ETPs in the works: 'Floodgates to open soon'

The exchange-traded funds look to track everything from Solana to XRP to Dogecoin, which combined make up trillions of dollars of the crypto market.

buy the rumor, sell the news

jcole - August 31, 2025, 9:30 am

Eventually crypto is going to be hand in hand with the stock market.

JoseMar - September 1, 2025, 4:59 pm

92 ETPs waiting for approval... WHAT? That's a lot. It's not just Bitcoin and Ethereum anymore, we're talking about Solana, XRP, even Dogecoin. The floodgates really are about to open.
