Thread: [Go-lang](#)

finglepot - September 3, 2025, 4:22 pm

Does anyone have good learning resources for go-lang? I have experience writing with other languages such as python which feels similar to go in a way.

Try starting with the official site, and the introduction provided there.

<https://go.dev/learn/>

<https://gobyexample.com/>

Just Go. ?
