Hey HF!

Just joined this amazing community and I'm absolutely loving the vibes here! To celebrate my arrival and spread some crypto love, I'm hosting a little contest!

\$10 BTC CONTEST

Contest Details:

- Prize: \$10 worth of Bitcoin
- Ending Date: October 15th 2025

Requirements to Enter:

1. Max Pop +
2. Quick Love thread
3. Reply with a nice message!

I will use Pickerwheel to choose winner randomly! Alternatively a reputable account can do the spinning for me.

Looking forward to getting to know everyone better and being part of this incredible community! Let's make some Bitcoin magic happen!

Good luck everyone! May the best vibe win! ?
