3 Vouch copies are available, please reach out to me if you are eligible

Basilisk - September 17, 2025, 11:02 pm

Still looking to grant 3 vouch copies to reputable members, if you can benefit from this and provide a solid review please don't hesitate

Acorns - September 19, 2025, 7:05 am

This sounds interesting, your image seems broken though and I can't see prices etc.

Happy to take a vouch copy if I have the required capital - please let me know how much you would need to start out and what % per trade would be done.

How many people are currently in your different groups (VIP / Pro)?
