Do you think you will stop enjoying it one day? I'm near that point tbh...

Nah, I don't think so. Maybe I won't watch it as much as now, but anime's always gonna be there for me, it's kinda part of how I grew up

You can stop liking anime ???

If I have to be honest new movies look animated af.

No anime cant be disliked, only different states of mind can erupt.

Take breaks. I used to love scrolling through 9anime looking for hidden gems and I didn't enjoy it. Now I just watch whats popular (JJK, chainsaw man, etc), and it's a lot easier to enjoy.

Stop liking it? Nah. Massively cutback on watching? Yes.

I watch probably like 1-2 episodes of random shit a month now.

No because new shows come out every season and there's always at least 1 banger

slow0212 - October 8, 2026, 4:04 pm

Nope, I might run out of life to watch it, but I know I'll always find it in me to watch 2 hours of a good anime season
