Thread: [\\$500 a Week - Method with Video Guide + Support \(Autopilot\) \[€46 Only\]](#)

Squixey - September 19, 2025, 1:47 am

Easy to earn \$500 from this method. Works worldwide and works by the best. The PLATFORM payout is around \$500-600

Each platform investment is around as follows,

1. \$22 + \$40
2. \$03 + \$40
3. \$05 + \$40

You'll be able to put your funds into any of the platform. I won't be taking the money and setup it for you. It's easy and simple as shown in the video guide, just follow the steps and you are good to go.

Only selling 3 Packages for now because I have other projects I'm giving support and mentorship for.

You'll never need my help to setup everything, you can just DM me for help if in case you need any.
