FTX Recovery Trust to unlock \$1.6B for creditors in September disbursement

The distribution marks the third payout to creditors of the former exchange as it continues dispensing up to \$16.5 billion in funds.

Reminder, these payouts are in stablecoins and have no negative direct impact on the market overall, nobody dumping any tokens.

Yanix - September 22, 2025, 10:39 pm

For small creditors, even partial repayments can make a big difference. Transparency in the process is key.
