We are starting a new platform for Free and Premium sport betting tips

Vouchers will be given for 3 reputable members. Post a comment for me to check your profile and add me on discord farren#4263

Before joining us, you are free to check out our free tips and betting history on our website.

Hackforums members have exclusive right to purchase membership using crypto. All other payments will be done via IBAN bank transfer due to big taxation on crypto in country we operate from. To join, initiate a contract and add me on discord for instructions - farren#4263

I'm interested in checking out your platform - would appreciate a voucher if I'm a good fit. I'll make sure to leave a detailed review after.

Feel free to check my profile and let me know. Thanks!
