Thread: [Tip: go for the Octoberfest award with Stanley Fan award!](#)

During Octoberfest, it's a great opportunity to receive another award: the Stanley Fan award. I'll be personally going for this.

Also a great opportunity to snatch The Longue award for those who don't have it.

Who's excited for Octoberfest?

I'm new here, but I'm excited to join this festival and aim for the awards. Best of luck to you and everyone participating!
