How long will the guarantee work?

Thank you for your interest. Because these are not cracked or shared accounts, warranty is up until successful login. Following which concludes our delivery of these accounts. For future re-verifications, reach out to us.

I see, well, we can do upto level 3 if and when required but price varies. That's all :)

Thank you for your interest, nevertheless.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
