Thread: [Ur favorite offline game?](#)

FrostMost - October 2, 2025, 6:07 am

I know many people play online games now but if u played offline games, what was ur favorite?
I play Shadow Fight 2 for nearly 7 years now?
???

Sometimes I like to play Command and Conquer against the bots, the third one, war of tiberium, something like that

But you can also play this game online

Never actually played it but with retro seeming graphics seems like a top-tier offline game.
Also it mainly looks like Crash Royale ngl?
??
