Just pump all your bits from the event into it.

Virus1x, I ran a script for firefox offered by a member that spam refreshed the site resulting in the closure of my account. Back then people were attacking HF frequently, and Omni didn't unban me. I evaded and eventually omni caught me, I explained everything and he allowed my account to stay. Thanks Omni!

P??sonl?af - October 2, 2025, 11:41 pm

Am I missing something here? Never used the lottery feature but this "mega" jackpot has a pool of 2k bytes?

Doesn't seem quite mega to me no offence.

Pool increases with every ticket bought. The more tickets the user has the bigger chance they have to win it.

Lottery started at 1k starting prize and grew to 2.5k in under 24h. Lottery will last till the end of October so if it goes like this, then there is a chance that the winnings can be big.

Prize pool has surpassed +3000 bytes. Thank you all who participated so far.

Net - October 8, 2025, 2:15 am

The prize pool has now surpassed 5,000 Bytes!

Here are the top ticket holders so far:

[DemonAsylum](#) – 20 tickets

[Envy](#) – 20 tickets

[7](#) – 16 tickets

[Omniscient](#) – 10 tickets

[plops](#) – 10 tickets

Thanks to everyone participating so far.

Hopefully this becomes a hit, so I make another one next month!
