Thread: [Custom award as price? What 5 members will get a spot on yours?](#)

Hey hey!

So one of the October rewards is to have a custom award that you can give to 5 members. Sounds amazing doesn't it! But who would get a spot on your award? Do you have to give a spot to yourself as well so tech. you only have 4 spots?

If so my list would be pretty simple tbh.

I would give myself a spot, then a spot for [Michael](#) & [CL1B](#) each. Because i can. I would keep 1 spot just incase and if possible/allowed I might end up selling one spot to one of those award collectors! xD

What about you?

I'd put you on my list. Keep the rest for later - maybe give myself the remaining three
