Mine as to be the Alien award, I worked pretty hard and came up with a good story on how to get it from omni

Plus this was my first non-donation award.

Deany - October 3, 2025, 12:11 pm

Was it randomly, or what did he have you do to get it?

The pokeball award is got to be my favorite award. I cant lie I know I have 3 but I am thinking of trying to get another 3 one day.

plops - October 3, 2025, 5:10 pm

Probably my red dice award. It took a while, I also just think it looks cool

oRequiem - October 3, 2025, 5:27 pm

So far, it's probably the pokemon go one since it's OG OG now. I really want the spy one though

JoshAllen - October 3, 2025, 5:42 pm

Businessman. I joined HF primarily for the marketplace. There was a big member at the time that had it and always wanted it.

Omni ended up giving it to me. I believe it is now an award goal.

Yin Yang - October 3, 2025, 9:29 pm

This is honestly a tough one

Mech - October 3, 2025, 9:40 pm

Probably the decade on HF award. I think it's probably the most challenging to get.

Terry A. Davis - October 3, 2025, 10:13 pm

Honestly, I've been on here chasing pixels from way back, it still feels odd every now and then when I login here and see it's still going through evolutions.

I guess my favorite one would be the Uber emerald or whatever it's called... No, obviously it's the drinking one, I decided to do a random tour of America a few years ago now, and ended up in Vegas, met up with Omni, and had a beverage or a few... Considering I'm usually in New Zealand, going around the world just to get on the piss is still a bit surreal.

Yanix - October 3, 2025, 10:33 pm

For me, it's the GOAT award from [7](#) and also the Medal of Honor that I earned from the Hack Game which take a lot of time and effort to achieve.

DAL-SHA - October 19, 2025, 1:17 am

Eran - October 19, 2025, 4:35 am

St. Jiberish - October 19, 2025, 6:12 am

I lost a few of mine, but still happy I have the gift & LR head. The gift was from my first friend who felt like he was right next door to me from hackforums.

Nate - October 19, 2025, 3:15 pm

I like the LR head tbh

Lowkey - October 19, 2025, 4:01 pm

My favorite award I've received is the friends I've made along the way.

That's the official "old head" award.

Always been jealous I missed that one.

Palestine - October 19, 2025, 6:06 pm

I'd say a leadership award I got in school. It meant a lot because it came from people I looked up to.

I actually won a singing award when I was 12, lol. It was fun, but interest change by time even if you are more better at something, well now I'm a tennis player though, haha!
