Thread: [Whats the most illegal-sounding thing youve done thats actually 100% legal?](#)

Hiya!

What is sometimes you've done in your life that sounds 100% illegal but was actually totally up to code & legal?

Nothing shady, Nothing Black or Grey. Something pure but when you explain it to people they often think otherwise.

I would say counting cards in blackjack for me

some people think its illegal and think you can get in legal trouble from it. its only disallowed by casinos and the only thing they can do is back/ban you off but its 100% legal by law

I know what you mean! It's funny how Casino's are chance/skill games designed for the house but the moment you are better than the house (in a legal way) they will just ban you for it. Quite unfair if you ask me.
