Thread: [How long does the Dicey Award take?](#)

JoshAllen - October 4, 2025, 6:14 am

I decided to go for some awards, but man, this Dicey award is taking a while.

I believe I am at 5000 spins and still nothing.

What is the average amount of spins to get it?

Yanix - October 4, 2025, 6:16 am

Nobody knows my bro, only [Stanley](#) knows when and what game you might be able to catch that Red Dicey award.

I am pretty sure it is random.

I saw a new person got it after only a couple spins haha.

Was just wondering what other people got it in.

For me, a few spins were enough, but some members had to grind with many spins before earning the award. Others relied on blackjack and pulled it off through that instead.

Oh you can get it through blackjack as well? That is good to know.

I stopped counting a long time ago, both the spins and my hopes of ever winning this prize ???
From what I remember, it all depends on your luck.

That's the point, those who don't try don't win. Anyway, I wish you luck with that ?

Keep pushing forward and don't give up. it'll come when you least expect it. [Stanley](#) just making it more challenging ?

Haha, just enjoy every moment, brother. I remember when I was chasing that award too — kept waiting and expecting it any day, but nothing came. I just kept playing and having fun. Then out of nowhere, [Stanley](#) surprised me with that red dicey award ?

Michael - October 9, 2025, 6:15 am
