Thread: [Staff Member, Who do you believe does the most work?](#)

Laughing Man - October 4, 2025, 7:58 am

Ignoring Omni solely for the purpose of he owns HF.

Other than him which staff member do you think puts in the most work at HF?

Honestly I gotta give it to my guy @Charlie Sheen@, He's behind most of the bans, he still actively posts on the forums and honestly has been here for quite some time.
