YO! That 61,000 BTC seizure is wild! \$7.24 billion ??

digital2key - October 4, 2025, 10:54 am

Interesting read..thanks....

Fish - October 5, 2025, 12:55 am

Brazil welcomes crypto miners till their power grid shuts down

jcole - October 5, 2025, 12:40 pm

Brazil can have the mining industry. Shit just drains electricity

DAL-SHA - October 7, 2025, 1:24 am

Bitcoin strong despite US shutdown chaos, and Brazil inviting crypto miners shows how countries see opportunity in blockchain.?
