Thread: [Is The Lounge the best section? \(Not clickbait\)](#)

Lowkey - October 4, 2025, 11:52 am

No but for real, all the other sections are interesting but The Lounge is literally the hub of happening here on HF.

Comment below if you think the Lounge is the best section and if not what you think the best one is.

HerrWinston - October 4, 2025, 11:54 am

I am 90% of the time here, so yeah its pretty awesome

But the subject, does that mean the previous ones were clickbait!??? Unbelievable :(

I also like the whole coding and AI section, even tho spammed with stanley threads currently

Then I have to come up with the most painfully vague and simple questions to start asking to generate higher post numbers and get the award.

Someone with equal simplicity levels will respond eventually and keep my threads at the top of the "new threads"

Lounge and anime adventures best sections

P??sonl?af - October 4, 2025, 2:29 pm

Surely posting in the lounge is all but LQ shit posting & spamming. Everyone knows that!

JoshAllen - October 4, 2025, 6:37 pm

I want to say yes. It is very relaxed and casual here, but can also bring up great discussions.

I also think it is an area EVERYONE can use.

plops - October 4, 2025, 6:42 pm

Yeah its pretty cool. Sometimes some cool stuff hapens

That's right, here you can talk about anything and with anyone. I also think that this is probably the
most active section on the entire forum (although in this case I may be wrong because I don't know
the exact forum statistics, it's just my guess).

Anyway, good to see you, man, I hope life is going great for you ??
Is this your new account? Because I thought you had more awards ?

Michael - October 5, 2025, 1:06 am

It's always the lounge that has the most activity yeah.

Fish - October 5, 2025, 1:40 am

The lounge section is the best - and by putting not clickbait in the title 10000% makes this thread
click bait

You might also earn awards in convo where generous members decide to gift them to you if you
happen to be lucky.?

I haven't come across this yet. It would be nice to have my first award.

Mech - October 6, 2025, 11:38 am

Like 95% of all my post are in the lounge. I think it's the best too.

Chrome - October 6, 2025, 4:24 pm

I'm glad someone did, everyone here is just so smart all the time it's a wonder I can pull any pranks at all.

Just keep on being an active member and make friends here on the lounge and I will bet it will be the Lounge Head award would be your first one.

Friends will buy you awards. And also get you banned and then unbanned.

Haha, that sounds like a real rollercoaster of friendship and the best thing is you've been given an award lol! That friend knows how to keep things interesting. ?

aj33b9009 - October 8, 2025, 11:59 am

I enjoy the Remote Administration Tools section.
and The Lounge TOO

Yin Yang - October 8, 2025, 12:05 pm

Not the best section, but it's def a top 5

RangoWorld - October 9, 2025, 1:18 am

Possibly. I like the science section also or used to. But it has been somewhat ruined by restrictions and bot threads.

Lowkey - October 10, 2025, 2:11 am

Bots have helped plague this site but not for much longer.
