I won't be participating this year because I'm an adult but those who are - what costumes are you thinking about wearing?

Deany - October 4, 2025, 2:23 pm

I think I'm gonna dress up as [Beherit](#) this year

jcole - October 4, 2025, 3:00 pm

Charlie Sheen - October 5, 2025, 10:48 pm

Most likely I won't be dressing up.

We had our third kid this year and I've been pushing to get everyone to dress up as The Incredibles, but they won't. Son wants to do something brainrot from roblox and my daughter wants to do kpop demon hunter.

Yanix - October 5, 2025, 11:04 pm

Nothing for us as well. Even the kids don't want to participate for the costume party.

Keep your kids as far away from kpop demon hunter as you can.

Holy shit tits Charles do you have any idea what that stuff is about? And they market it to KIDS?!

We don't have halloween here but for something similar I dressed as an inmate.

My #number was 1312 lol.

Fun fact, I went to the police station and took some photos with the cops outside

Demons

Soul Harvesting

Ritual

Ritual Sacrifice

All disguised as "hot girl meet sexy guy but they flirt and also kids"

None of my colleges who have kids let them watch it. Not 1.

My younger child just adores Halloween. I thought I'd make him happy by going as Minnie Mouse.

Going with the flow is usually a pretty good way to spend a holiday. No expectations = good time
