Thread: [Are you going for the Stanley Fan?](#)

jcole - October 5, 2025, 1:59 pm

Now would be the time to go for the Stanley Fan and Octoberfest award. If you don't have the lounge head.. You could try to knock out 3 awards in one month.

I'm currently %28 for Octoberfest, and %22 for Stanley Fan.

plops - October 5, 2025, 2:20 pm

Yes! Stanley is a cool looking one. 46% there

leste - October 5, 2025, 2:23 pm

I have made 29% progress toward the October award, 6% toward the Stanley award, and 18% toward The Lounge award. I plan to earn all three awards.

I work a lot lately, and trying to get some posts in today. I feel like a zombie at times.

Mix - October 5, 2025, 6:22 pm

I have recently started since the Octoberfest which I must admit isnt too impactful towards the event but I can see myself getting the award within the year timeframe its offering.

Yanix - October 5, 2025, 6:31 pm

Happy that I finally got it the other day. Good luck brother on your chase for that award.

Mech - October 5, 2025, 6:32 pm

I haven't even started it yet. Maybe after I get this October fest award.

Charlie Sheen - October 5, 2025, 10:21 pm

Slowly. Some things he posts, I can't even understand.

Yes I am, currently around 50% for the award! Slow and steady

Oh_Well - October 6, 2025, 3:48 am

Yes! It's actually the best time to chase multiple awards. Stanley Fan, Hacking Tutorials one, the pumpkin of course.

And for new members, the Lounge Head is also on the table with so much activity in the lounge

DAL-SHA - October 6, 2025, 8:53 am

I would love to go for the stanley fan award !! gonna go for it before october ends ! thanks for the

reminder ???

JoshAllen - October 6, 2025, 9:13 am

I am slowly at 33% so far.

aj33b9009 - October 8, 2025, 12:16 pm

%45 for Stanley Fan

Stork - October 8, 2025, 8:30 pm

What is the stanley fan lol?

It's an award for commenting on Stanley posts 250 times in a year. Usually it's news articles but it's a couple other threads.

Be extra careful so you can stay eligible for both the Octoberfest and Stanley Fan awards. You already have a few warnings on your account, and getting more could lead to a temporary ban for several days or even months. So it's best to play it safe and keep things clean.

RangoWorld - October 9, 2025, 12:56 am

Sure. Octoberfest can be a good accelerator for it.

I haven't gotten into that yet. Currently I'm focusing on the Octoberfest award and primarily I think Lounge is a good place to make posts for that.

Yeah. got the octoberfest award a week ago. I was only at 30% for Stanley.

I am now at 40%. I find it hard to get the stanley without spamming because Stanley only posts so much.

Yin Yang - October 11, 2025, 3:14 pm

I'm not going for it. If I do happen to get it, so be it

Good point, I just went ahead and bought a pumpkin with BTC, I am so busy for harvest and my garden business this year, I do not have time to concern myself with these deadlines. I am having a good Month, so I just went ahead and bought a pumpkin from Omni directly, I also already have 2 IRL pumpkins I bought for much cheaper from Walmart ??????????

Tbh often Stanley posts are links to article's that are behind a paywall/sub.

And if you think it's a decent idea to by-pass said paywall & post the article in the thread well.... xDD

4th thing I have bought so far directly from HF? I think l33t, Ub3r, then I gift l33t to my new BFF

[daft_dutch](#)

The HF Pumpkin sold itself honestly, I became obsessed with it mentally, God told me to buy it ASAP for GOOD LUCK! lol

Those tricky ones let you read 1-3 articles and then they pop-over, yes a nerd can get past them easy as pie, but it is annoying, I have multi-accounts for some news websites. TOR browser etc. Funny having to do all this to read the news for free...

Sort your awards using this link. It costs 100 bytes each time you sort them. Try to sort them exactly how you want. Each change is 100 bitties.

50% Flip Reaper

42% Lounge Head

78% For October Award

2% Stanley fan.

I'm counting on getting all of them, also the one for hacking tutorials.
