Thread: [Whats something expensive you bought recently?](#)

CryptoMancer - October 8, 2025, 1:40 pm

Can be anything, items, ingame stuff, anything online. (if you dont mind sharing)

My recent big purchase was shoes cost me like \$100.

Deany - October 8, 2025, 1:41 pm

More model kits for my box fort

plops - October 8, 2025, 1:50 pm

Did some grocery shopping that came out to <\$200

Jamika - October 8, 2025, 2:28 pm

The last expensive thing I bought was xenon lights for my car — the headlights were really dim before that.

Just investing or to buy something online?

aj33b9009 - October 9, 2025, 10:43 am

Just investing

new fever case for that skeleton knife

sharn - October 11, 2025, 5:50 pm

I bought a premium coffee machine.
Expensive, but my mornings are better.
