Have you ever done either? Do you prefer one over the other?

Personally, I'm a huge fan of snow skiing - go out when the weather is not that bad, hit the slopes, and have a great day!

I think I prefer snow skiing but I'm terrible at it.

I've never tried snowboarding but it seems like its a little harder to do compared to skiing

Yeah it is xD I was dumb enough to think that it would be easier since you have to control 1 thing instead of 2.. Butt still hurts when I remember that day

Water always looked like fun and possibly less dangerous to me

I love snow skiing because it combines nature and sport.

Mountains, snow and adrenaline.
