Skins, items, gold, accounts

Have you ever bought or sold?

Oh_Well - October 9, 2025, 5:04 am

I used to buy LoL accounts when I was younger - or even flipping some. But now not so much. You?

Panagiota - October 9, 2025, 5:20 am

I've bought some infinity nikki skins but not many, maybe 2 or 3

I'm pretty sure every gamer has bought at least one of the things you listed at least once in their life. I'd be shocked if someone hasn't.

I sold more than I bought to be honest like Dc universe online, Clash of clans accounts and more.

I have sadly, but not on a frequent basis. Once it was for unlocking all the locations of hidden treasures and point of interests or something for AC Origins and stuff in Rocket League.

RangoWorld - October 11, 2025, 5:44 am

Yes. I used to sell currency in a certain game. Can't name because it was very niche

I've bought RS gold before. Not much. No items, skins, or accounts.

Mix - October 16, 2025, 3:21 pm

Rs gold but it was a very small amount and I still got a 30 day ban lol.

Bought RuneScape Treasure Hunter keys before.
The excitement of a lucky roll is insane.
