In the market for more solo games to play or singplayer games with good story lines

Any reccomendations

Red Dead Redemption 2

On sale 75% off right now, if there's a time it's now

I double the above Recommendation,

- Red Dead Redemption 2
- Ghost of Yotei / Ghost of Tsushima

All the Sony's Exclusive games of PS4 era.

God of War, The Last of Us and Uncharted 4 games at the forefront.

Assassins Creed, always a good storyline. Even the older ones are still worth playing.

Red Dead Redemption 2 has a great story.

The missions are engaging.
