What type of style do you wear most of the time?

I like classic style myself.

**plops** - October 12, 2025, 8:43 am

Ah a classic man. Keeping it classic is the classic way to do it.

Idk, i grab a pair of basketball shorts, a brandless t shirts, white long socks and sandals. Cozy and makes a statement

**aj33b9009** - October 12, 2025, 9:20 am

T-shirt and jeans. That is a style that has lasted me for a few decades. Still comfortable and fitting.

**Lowkey** - October 12, 2025, 9:22 am

Minimal, no logos or small patterns/designs, something that doesnt stand out but is still gold quality.

Techware is cool but it is meant to be useful and most of it is not

**Aeowulf** - October 12, 2025, 10:45 am

Plain black tshirt and shorts or jeans.

For women... sundresses and leggings are nice to see.

**RangoWorld** - October 12, 2025, 12:07 pm

Blank Pants and Shirts. Cool colors

Also comfort over shininess

**FrostMost** - October 12, 2025, 1:21 pm

Loose T-shirt and baggy Pants when it is hot and hoodie and again baggy pants if it is cold. I never wear shorts outside cuz of this fucking unnecessarily enormous amount of testosterone. ??????

**peldon** - October 12, 2025, 2:53 pm

Nude.

There is another way to dress ?

That's actually what Eminem wore when he was invited to meet Dr Dre the first time. So that he'd be remembered. #Facts

It's the truth bro. Apparently I can't post a YouTube video if it's a short, but here's the link.

Almost all the time I'm in basketball shorts and a black t shirt. I'm all about comfortability. When I go out to a dinner or something I'll change to blue jeans. But I'm always in something loose fitting like basketball shorts or joggers.

Simple dresses, nothing too fancy. I like the ones you can just throw on and still look good.

A classic style is always sharp and dependable, so that is a really good choice. Personally, I tend to lean towards a very casual style because comfort is my main priority, especially with what I do all day. Do you have a favorite classic brand?

Yeah same as me

when it gets colder i wear joggers/sweatpants. I only care about comfortability not the brand names and all that

**Palestine** - October 25, 2025, 3:33 am

I'd have to say casual and sports wear definitely. But in the winter time usually jeans or sweatpants and hoodies with big jackets.
