Thread: [What's your absolute worst skill?](#)

Oh_Well - October 13, 2025, 1:40 am

Everyone's got that one thing they just can't seem to do right ? What's yours?

Tying knots is my worst skill. And no, I don't mean shoe laces xD

Lowkey - October 13, 2025, 1:41 am

My worst skill is thinking of what my worst skill would be, only because I don't really have something I'm bad at.

Deany - October 13, 2025, 1:42 am

Hmm I'd say existing

Overthinking is both the best and the worst skill

??????

Anything that requires steady hand movement. I'm terrible at drawing. Awful at writing.

RangoWorld - October 13, 2025, 3:12 am

I don't believe any skill is useless.

But I would say I'm weak with marketing compared to my other skills

I can relate to that! For me, it's whistling. No matter how many times I've tried, it just never sounds right. Everyone around me makes it look so easy too.

Bad handwriting. Same. In my case it's actually a specific learning disability that only affects motor skills. Although a teacher worked with me a lot with the handwriting so it is legible. But I can't do any

of that stuff. Can't knit or sew etc...

No amount of practice can fix this issue. It's pretty embarrassing at times.

I suck at losing.

I'm in my mid 20's and I still get so annoyed losing a game of cards, I will literally leave the room. I shit you not.

It's terrible.
