? ALPHAHUB - RESULTS (SEPTEMBER 2025) ?

- The above results are from the month of September 2025.

- The Profit & Returns are variable for each client and depends entirely on the Premium Groups & Calls you choose to follow.

For more daily Profits & Returns, kindly join our Telegram Supergroup & Discord. The results vary between each client, as it depends entirely on the Groups you choose to follow. You can build your own custom aggregator selecting to follow only the groups you like. It's a custom endpoint on how you choose to build your own aggregator of Elite groups, so, that the calls you receive are finetuned according to your preferred provider. Go through all the topics in our Supergroup to understand in-depth about the AlphaHub system, for further clarification, reach out to our staff.

TOS :

Spoiler [\(Click to View\)](#)

- We only will entertain trials after a HF contract is in place and you have joined both our Telegram and Discord.

- We will not engage in debates about what constitutes as sales trashing. That decision rests with RT and as strictly listed in Market TOS of HF, if any evidence is found that constitutes sales thrashing, you will be reported and your post reported to the staff for removal. Continued harrasment would lead to warning or worse; closing of your account for not following the HF MP TOS.

- We make every effort to ensure client satisfaction. Please reach out to us for any concerns so we

can address them properly

and don't simply jump to conclusions. We at Resurgence Trading take great pride in providing the highest client satisfaction.

- Initiating a chargeback without proper validation and justification will automatically void your support, access to future updates, and refund eligibility. Additionally, a community alert will be issued against you and removed from our partner's services in its entirety.
- Unnecessary sales trashing and spamming on the thread will not be tolerated. You are welcome to leave honest feedbacks; positive or negative: after utilizing the system yourself. This ensures other members receive genuine insights into what the system provides.
- Please note that I also have a personal life, so there may occasionally be delays in responding to your queries.
And for that I apologize in advance. I will always do my best to respond promptly, additionally, my staff will assist you as well.
- By initiating your first consultation with us RT for this service, you automatically agree to all current and future TOS.
- These TOS may be changed, modified or updated at any time without prior notice. For major changes, everyone shall be personally informed.
